

Golden Hills Golf and Country Club Pool Party Reservations

The number of pool party attendees must be limited because the pool is a shared facility and other members may be accessing the pool during your party. Parties with 10 or fewer guests can be scheduled on weekdays between the hours of 12:00 - 5:00 p.m. for a total cost of \$35. Parties must end by 5:00 p.m. to receive the discounted rate. Evening parties may have up to 50 guests and can be scheduled nightly between the hours on 5:00 - 9:00 p.m. for a total cost of \$60. A fine may be imposed if damages result from the party.

Parties are limited to two hours unless otherwise approved by Club management (extra fees will apply). Pool party registration forms and payments must be received at least 1 week prior to the event. Check the calendar at www.goldenhillsgolf.com for available dates and scheduled parties. Parties are scheduled on a first-come, first-served basis. If you need to cancel or weather is unfavorable prior to the start of the party, all money will be refunded. If a party is scheduled and is cancelled after starting due to weather conditions, you will receive a pro-rated refund.

Please note that a party is not confirmed until payment is submitted and notification is received from the pool. Your online reservation will be held for three days pending receipt of payment.
