

February 2026

## News from the Golf Shop

They say the average temperature in January is 55 degrees. I guess, if half the month is near 70 and the other half is 40 degrees, they are right and it's what we experienced last month at Golden Hills. For the first half of the month, we were blessed with abnormally warm temperatures and many opportunities for golfing. The second half of the month not so much.

Hopefully in February we will have more average days to play the great game of golf!

While the cold temperatures moved in late last month, on January 17th, 98 players were able to tee it up in the annual Par 3 Challenge. In this event every hole on the golf course is played as a par 3 ranging from 65 yards to 140 yards. A cloudy cool morning gave way to sunny skies and the golf was on! Shawn Miller proved to have a great iron game capturing the gross division by 1 shot shooting a 2 over par 56. Norman Asmer finished 2nd at 57. Howard Werner rode a hot putter to a 2 under par score of 52 in the net division to narrowly beat 3 players by 1 shot. They were Barry Gossett, Bill Harrington and Shawn Heimbach. Congratulations to all who placed in the money and thanks to all for participating.

Next up on the tournament calendar is the Super Bowl Saturday - Play It Forward on February 7th. In this format all competitors will play 1 tee forward of their normal tee. Blue tees play the Green, Green tees play the Black, Black Tees and Red tees play the forward tee. If you would like to play, simply make your normal tee time on Saturday and let the Golf Shop staff know that you are planning to play it forward. There must be at least 2 members of your group playing in the event and have an established USGA handicap. Please call the Golf Shop at 803-957-3355 and let us know you are planning on playing.

The first MGA tournament will be played on Saturday, February 21st. The format will be a 2-man team Pinehurst Alternate shot. In this format both players hit tee shots, then play the other's ball for their second shot; after comparing the two second shots, they choose the better one and play alternate shot from there into the hole, requiring strategic teamwork. It's popular for mixed-skill teams because it allows both partners to contribute significantly, blending the best of scrambles and traditional alternate shot. To sign up simply call the Golf Shop at 957-3355. If you have not paid your MGA dues by then, they will collect it that morning.

The Senior Men's Golf Association will continue to play on Tuesday mornings at 10am in February. If you are new to the club, 55 or older, just recently retired or just looking for a steady game, come on out and join our SMGA. To sign up simply call the golf shop by 2pm on Sunday to play.

Our Ladies Golf association continues to grow bigger and stronger every month. Regular play days are on Tuesdays at 9:15, Wednesdays at 1:15 and Thursdays at 9:15. If you would like to come play with this great group of ladies simply call the Golf Shop and they will give you the information you need to get connected.

Of the many issues that any golf course faces, the hardest topic to tackle is slow play. While we love to see each of you enjoying the great game of golf, we all have the responsibility to show proper etiquette and play in a timely fashion so all can enjoy their round. An LPGA hall of famer described it this way: If you are not waiting on the group in front of you, you are probably playing too slow. Here at Golden Hills, we have a pace of play policy posted on the first tee that states rounds should be played in 4 hours or less. Please help everyone enjoy their round at Golden Hills by playing in a timely fashion.

Your Golden Hills Staff,

Steve Larick, Justin Fowler, Doyle Price
